

NELSON ENTERS FORMAL PLEA

Trial of Utah National Bank Robbery Case Is Set for Dec. 7.

BUSY DAY IN U. S. COURT

JACK LACEY GETS TWO YEARS FOR JOB AT MURRAY.

Saturday was the busiest day the federal court has seen for some time. Two cases were disposed of and another set for trial.

Jack Lacey, charged with attempting to rob the United States postoffice at Murray on the night of March 17, withdrew his plea of not guilty and entered a plea of guilty. He was sentenced by Judge Marshall to pay a fine of \$100 and serve two years in the federal prison at Fort Leavenworth, Kan. Judge Marshall took into consideration the fact that Lacey had been confined in the county jail here since March 2, awaiting a trial, and he was therefore given a light sentence. Lacey is one of the three robbers who attempted to blow open the safe in the postoffice at Murray last spring. After a battle through the streets of Murray, during which about twenty shots were fired, Lacey was captured. The other two men made their escape.

The case of Nils O. W. Soderberg against the Lagoon Resort company was settled out of court for \$2,000. Soderberg filed suit some months ago against the resort company for \$25,000 damages. While working on one of the buildings he fell and received injuries which he alleges make it impossible for him to follow his trade.

Bank Robbery Case.

The famous Utah National bank robbery case came up yesterday, when Andrew W. Nelson was arraigned before Judge Marshall and entered a plea of not guilty. His trial was set for Dec. 7. Some interesting testimony is promised when the trial of young Nelson is opened.

Edward Burley of England was admitted to citizenship.

W. J. Daly, assistant in naturalization cases to the United States district attorney at Denver, was admitted to practice in the federal court in the district of Utah.

There will be no jury cases before the federal court Monday, but on Tuesday morning the cases of Peter Puolos and his brother, Theros Puolos, charged with payment to a postoffice at Murray, will be heard.

Sues Utah National.

The California National bank of Sacramento filed suit Saturday against the Utah National bank of this city to recover \$2,005.59 in three actions. The complaint also asks for interest on the amount since Dec. 5, 1907, and for court expenses.

The complaint alleges that on Sept. 16, 1907, the California National bank accepted a check dated Sept. 2 bearing the signature of S. P. Phillips and drawn on the First National bank of Ponderay for \$2,000, payable to Albert Wenderlich, which was sent to the Utah National bank for collection on Sept. 2. The local bank accepted the check and credited the Sacramento bank with the amount. The check was then sent to the First National bank of Ponderay, but payment was refused. The complaint further alleges that the

NEW LYCEUM THEATRE BUILDING

Perspective of Lyceum theatre, which is being erected just north of the Knutsford hotel.

This picture shows the new Lyceum theatre which is now being built on State street, just north of the Hotel Knutsford, as it will look when completed. The work on it is being rushed with all possible haste, and it is expected that Salt Lake's amusement-loving public will see the new playhouse completed by Dec. 1.

The Lyceum will cost \$50,000 when finished, and is being financed by Max Daniels of Salt Lake. Councilman L. D. Martin, 607 Tribune building, is the architect. It will be another building of architectural beauty to adorn State street, and is in the rapidly growing theatre center of this city.

The Lyceum will be an entirely new departure from anything of its kind here. It will be a combination theatre, hotel and business block. It will be three stories high and 52x139 feet in dimension. The front elevation will be of firebrick, with Keene cement plaster, embossed and mosaic style of trimming.

Two stores on the ground floor will local bank did not notify the California bank of non-payment until Nov. 12, sixty days later. The California National bank had at that time \$4,162.41 on deposit in the local bank, from which the amount of the check was deducted, together with \$5 additional for notary fees. The California institution declares that the Utah National bank had no authority to take such action, and asks that the amount of the check be refunded.

MURRAY NEWS NOTES.

At the Tuesday evening session of the Murray city council, the final hearing of the much-delayed Utah Light & Railway franchise will come up. As there has been no meeting for three weeks, the aldermen will be completely swamped with work.

The Arlington basketball team is going out for the school record this fall. Thus far the team has not met with a single defeat, and under the leadership of Coach Wright will be expected to make a very creditable showing. The team defeated Liberty school this week by a score of 34 to 5, which demonstrates that there are some speedy youngsters in the team.

The Granite High school football team will meet the Salt Lake High school team next Friday on the university campus, this being the second game of the season between these two speed squads, and a spirited battle is looked for. On the result of this game depends Granite's chances for the state championship.

A lively runaway was witnessed yesterday afternoon near the half-way house on State street. A young man employed at Poulson's livery stable was coming from Bingham Junction with a load of

Hollow Cheeks And Sunken Chests

May Be Quickly Rounded Out With Robust Flesh by Using Stuart's Calcium Wafers.

Write for Free Trial Package.

Hollow cheeks, sunken chests, muddy complexions, pimply faces, and nervous breakdowns are caused primarily by bad blood, either filled with impurities or containing but little strength. Build up your blood and you supply every part of the body with the material for building flesh, bone, muscle and nerves.

The ordinary woman or man who suffers from physical decline is morose, moody and inclined to despair. Consequently they do not eat or do those things which tend to improve their condition and thereby steadily grow weaker. Stuart's Calcium Wafers is a tonic pure and simple, with a great blood purifier combined, thus giving the system immediately that renewed vigor and life so necessary to overcome decline of flesh and nerves.

These little wafers make themselves felt at once by renewing the blood so that it invigorates the nerves and buoy up the spirit of the sufferer.

One notices almost immediately a general improvement in health and a desire for greater activity and vim.

This condition is due to the introduction of new blood to the dying, tired or decaying flesh and nerves.

Stuart's Calcium Wafers, though powerful and their results wonderfully rapid in transpiring, are absolutely harmless, and they may be used by children as well as adults.

Do not let your blood remain longer in an impure, decaying state, but write at once for a trial package of Stuart's Calcium Wafers. We will send them to you free, or go to your druggist and buy a box. Price 50 cents. Address F. A. Stuart Co., 175 Stuart Bldg., Marshall, Mich.

The theatre will be thrown open to the public on Dec. 1, though the remainder of the building will not be ready for occupancy until one month later.

The two upper floors will be devoted to hotel purposes and will contain forty-one rooms, all finished in hard wood throughout. Each room will have hot and cold water, and one-half of the rooms will have private baths. In each room will be a telephone and other modern conveniences.

The basement of the building will be made into a rathskeller to be run in connection with the hotel. The theatre has been leased to the John Cort theatrical syndicate.

The theatre will have one balcony. The stage will be thirty feet deep and forty-nine feet wide. Dressing rooms will be under the stage and will be luxuriously fitted up. Boxes will be ranged on each side of the theatre on the level with the main floor and the balcony. Plenty of wide exits will lead out into stairways in case of fire or other danger.

grain, when the tongue of the wagon broke, frightening the team. The horses dashed down State street at a merry clip, throwing the young man to the ground and two wheels running over him. The horses were stopped about three blocks from where they started their run. A passerby took the young man to Dr. Robinson's office, where his wounds were attended to. He was hurt about the shoulders and lower limbs quite seriously. The wagon was demolished and the grain strewn along State street.

NEW THROUGH SERVICE.

Burlington Will Have Connections From Great Falls to Omaha.

Helena, Mont., Nov. 7.—Great Falls residents and others along the line of the Burlington Northern, the new road recently completed, are to enjoy through service to Kansas City and Omaha by Burlington through trains, announcement having been made that the tracks of the new road are to be used by the Burlington through trains, which will make Great Falls their western terminal.

James J. Hill is to be in Montana next week, and shortly after his arrival the connection will be established, say the Great Northern officials in Helena. The new road, which is 223 miles in length, opens a rich country, and the Burlington and Great Northern will derive a large business from the district. The Burlington will give the Great Northern value received in another concession, but what this is could not be learned.

NEW CORPORATIONS.

Sutton Meat Market company, Prov'y capital \$5,000, shares \$100. Officers: D. D. Sutton, president; Fred Sutherland, vice president; Fannie Sutton, secretary and treasurer; additional directors: Herman Grim and R. D. Sutton.

First Church of Jesus Christ, Scientist. Organ: Purpose, spread of doctrine taught by church as set forth by Mrs. Mary G. Baker Eddy. Officers: Mrs. Mary G. Baker Eddy, first reader; Mrs. Amelia Price, second reader; Miss Sophia Roberts, clerk; Mrs. E. Lewis, treasurer; Pearl M. Dallimore, superintendent of Sunday schools; additional directors: David Robinson, Mrs. Anna Zeimer, Miss Pearl Dallimore, George Tomlin.

BIRTH RATE IS BOOMING.

Fifty-Seven Arrivals Are Reported for Last Week.

The weekly report of the city board of health shows almost a record number of births. The total for the week ended Friday is 57, the record is 62. Of the births, 25 are male and 32 female. There were 25 deaths, 15 males and 10 females. Twenty cases of contagious diseases were reported. Three were smallpox, four scarlet fever, one diphtheria, five whooping cough and seven typhoid fever. There are five cases of smallpox in the isolation hospital; five houses are under quarantine for the disease, seven houses for scarlet fever and one for diphtheria.

METEOROLOGICAL REPORT.

Yesterday's Record at the Local Office of the Weather Bureau.

Temperature at 6 p. m. 50 degrees; maximum temperature, 58 degrees; minimum temperature, 37 degrees; mean temperature, 45 degrees, which is 1 degree above normal. Total excess of temperature since the first of the month, 24 degrees; accumulated deficiency of temperature since Jan. 1, 515 degrees. Total precipitation, none; total precipitation since the first of the month, none, which is .34 inch below normal. Accumulated excess of precipitation since Jan. 1, 7.75 inches. Relative humidity at 6 p. m. 64 per cent.

Do You Hear Well?

The Stolz Electrophone—A New, Electrical, Scientific and Practical Invention for Those Who Are Deaf or Partially Deaf—May Now Be Tested in Your Own Home.

Deaf or partially deaf people may now make a month's trial of the Stolz Electrophone at home. This personal practical test serves to prove that the device satisfies, with ease, every requirement of a perfect hearing device. Without the deafness, discomfort and worry, I now hear perfectly at church and at concerts.

What Three Business Men Say. The Electrophone is very satisfactory. Being small in size and great in hearing qualities makes it preferable to any I have tried, and, I believe, I have tried all of them.

I got so deaf I could not hear with my speaking tube and was advised to try the Electrophone. I immediately tried it and found it to be a most satisfactory device. I now hear perfectly at church and at concerts.

I have now used your Electrophone over a year, and know that it is a first-class, scientific hearing device. Without it people have to shout directly in my ear to make me hear. With it, I can hear distinctly when spoken to in an ordinary tone. Best of all, it has stopped my head noises, which were a terrible aggravation.

Write to or call (if you can) at our Chicago office for particulars of our personal test offer and list of other prominent endorsers who will answer inquiries. Physicians cordially invited to investigate aurists' opinions.

Stolz Electrophone Co., 1269 Stewart Bldg., Chicago.

Branch offices: Philadelphia, Cincinnati, Seattle, Indianapolis, Des Moines, Toronto.

Foreign office: 82-85 Fleet St., London, England.

PLAY UNDER SUSPENSION

Men Plucked by Discipline Committee Cheered When They Appear on Football Field.

Although under suspension, the five men plucked from the university football team by the discipline committee entered the game yesterday and put up the hardest kind of a fight for the school. In view of the fact that many of the professors voted to reinstate them and out of consideration to Coach Maddock and the students, all the five men agreed to play, in spite of the fact that many of the faculty had voted to suspend them from the institution. Their decision was supported by the students, who cheered them madly when they came on the field in their football suits.

The men were H. Richardson, the star right half; Home, left tackle; Grant, quarterback; L. Egan, end, and D. Richardson, left halfback. Henry Richardson did not play more than a minute, as Maddock did not want to risk injuring him before the Boulder game. They did not disobey the faculty, as they were given permission to come on the campus during the game.

An incident happened yesterday that aroused the ire of the students. Mills, the crack half end, was eligible when the official lists came from the eligibility committee reported on Nov. 5, as provided in the rules, and Maddock had depended on him to play his regular position in the game today. Just a few hours before the game was called yesterday, Professor George M. Marshall, professor of English, appeared and said on further investigation he had decided to report Mills ineligible. The loss of one of the best players has disappointed the team and greatly disappointed Coach Maddock, who had made a number of changes in the lineup depending on using him. Mills states that there is a misunderstanding and he will attempt to adjust the matter.

The Crowds at Drs. Shores Offices---A Lively Scene Last Week a Record Breaker

The great throng of sick people crowding Drs. Shores' parlors all last week in response to their Special Announcement that their NEW PERFECTED TREATMENT FOR CATARRHAL DISEASES would be given for \$3 a month, was surely a record-breaker. In Drs. Shores' sixteen years of specialty practice they pronounce the past week their BANNER WEEK for the number of sick people applying for treatment.

The People Believe in Drs. Shores

That is what the crowds mean. The afflicted KNOW that when Drs. Shores advertise that they do to the full. Deaf sufferers were there to see if their hearing could be restored. The asthmatic, the victim of lung troubles, wanted to know what the NEW TREATMENT could do for them. Scores with Catarrh in all its complicated forms were there to see if they could be cured. In order, therefore, that all may have a chance to consult with Drs. Shores and to begin their treatment if they so desire at the low introductory price of

\$3 A MONTH \$3

All Medicines Free.

DR. A. J. SHORES

DR. G. W. SHORES

YOU WILL SAVE TIME YOU WILL SAVE SUFFERING YOU WILL SAVE MONEY

BY BEGINNING YOUR TREATMENT FOR CATARRHAL DISEASES AT ONCE

DO YOU HAVE CATARRH?

Read these symptoms and see. Many folks do have Catarrh and don't know it.

THE HEAD AND THROAT.

This form of catarrh is most common result of neglected colds—quickly cured with little cost by Drs. Shores' famous treatment. "Is your nose stopped up?" "Do you have a discharge?" "Does your nose discharge?" "Is your nose sore and tender?" "Is there pain in front of the head?" "Do you have a discharge?" "Is your throat dry in the morning?" "Do you sleep with your mouth open?" You can be easily cured now. Don't let it run into complications.

THE BRONCHIAL TUBES.

When catarrh of the head or throat is neglected or wrongly treated it extends down the windpipe into the bronchial tubes, and after a while attacks the lungs. Quickly cured with

little cost by Drs. Shores' famous treatment. "Have you a cough?" "Do you take cold easily?" "Do you have a discharge?" "Do you raise frothy materials?" "Do you spit up little cheesy lumps?" "Do you feel you are growing weaker?" Don't risk neglecting these warnings—stop the disease before it reaches the lungs.

OF THE EARS.

Catarrh extends from the throat along the eustachian tubes into the ears, causing partial or complete deafness. Quickly cured with little cost by Drs. Shores' famous treatment. "Is your hearing failing?" "Do your ears discharge?" "Is the wax drying in your ears?"

OF THE STOMACH.

Catarrh of the stomach is usually caused by swallowing mucus, which drops down from the head and throat at night. Quickly cured at little cost by Drs. Shores' famous treatment. "Is there nausea?" "Do you belch up gas?" "Are you constipated?" "Is your tongue coated?" "Do you bloat up after eating?" "Is there constant bad taste in the mouth?" Now is the time to be permanently cured. Drs. Shores are curing hundreds every year.

MEN-A SPECIAL DEPARTMENT FOR-MEN

Drs. Shores maintain a Special Private Department for the benefit of men who through misfortune, excesses or indiscretions need the services of ABSOLUTELY RELIABLE AND EXPERIENCED SPECIALISTS. We treat all forms of Contracted disorders, Specific Blood Poison, Prostate troubles, Varicose Veins, Weaknesses and Loss of Manly Vigor. The necessity of this department, where unfortunate sufferers may come with the assurance of honest dealings and expert treatment, is made plain by the presence in the city of various "Fake Medical Companies" and "Quack Institutes," where cheap hired doctors and ignorant quacks endanger the health and rob the afflicted for worthless and often dangerous treatment.

For 17 years Drs. Shores have been known as STRICTLY RELIABLE SPECIALISTS. They do business under their own names, and offer you their expert services on practically your own terms—either small weekly or monthly payments as the cure progresses or you can arrange to PAY WHEN CURED.

Drs. Shores' Prostatic Treatment a Real Discovery

Drs. Shores long since discovered that nearly all cases of so-called "Weakness" in men were due to enlargement or inflammation of the prostate gland. Drs. Shores' treatment for this trouble is original and exclusive—it is a LOCAL treatment, and cures where other methods entirely fail. You can have a practical demonstration of this wonderful treatment FREE and see for yourself HOW it cures, and why other treatments cannot cure. Consultation and Advice free and confidential for all diseases. Call or Write. All Medicines Free.

WE TREAT AND CURE

CATARRH—Deafness, Nose and Throat Troubles, Eye and Ear Diseases, Bronchial and Lung Troubles, Asthma, Stomach, Liver and Kidney Diseases, Bladder Troubles, Female Complaints, Chronic Diseases of Women and Children, Heart Disease, Nervous Diseases, Chorea (St. Vitus' Dance), Rickets, Spinal Trouble, Skin Diseases, Scalds and Rheumatism, Diseases of the Bowels, Piles, Flatula and Rectal Troubles, Gout, Gravel, Big Neck, Blood Diseases, Tape worm, hay fever, hysteria, epilepsy, insomnia, etc., and all curable nervous and chronic diseases. Prices and terms low and uniform, and can be arranged to suit your convenience.

Drs. Shores & Shores

EXPERT SPECIALISTS. Houston Block, 349 Main St., opposite Keith-O'Brien's Store. SALT LAKE CITY. Office Hours—Week days, 9 a. m. to 5 p. m.; evenings, 7 to 8 p. m. Sundays and holidays, 10 a. m. to 12 noon.

\$3 This Special Rate Applies to All \$3

Who Have Catarrh, Asthma, Deafness, Lung Trouble, Catarrh of the Stomach, Kidneys, Liver, Bladder—or Any Complication of Catarrhal Diseases If You Apply at Once.
